## NEWS UPDATE

March 10, 2015

**MARCH LUNCHEON MEETING REMINDER** - The March membership meeting is on Tuesday the 17th at 11:30 at the Hungry Fox restaurant. Lots of food choices for \$10.00. This should be an interesting presentation by Chapter Member - Ed Taczanowsky. Ed will be talking about - "Safety Challenges at an animal Care & Enforcement Facility". Leftover food can go back in a "Doggy Bag". [Click Here](#) for further details.

**BON VOYAGE RANDY** - Chapter President Randy Rogers-Gardner has resigned his Chapter position to take a job overseas. Randy has been a real asset to the Chapter and will be sorely missed. We Chapter members wish Randy the best in his new adventures.

**DEBRA TAKES A PROMOTION** - Debra Crooks, MS, CSP is now the new Southern Arizona ASSE President. Deb, as Vice President, succeeded Randy. Please welcome Deb in her new leadership role. Deb is a Principal EHS Engineer with the Environmental, Health & Safety division at Raytheon Missile Systems.

**DAVID BAKER RESIGNS** - David Baker, a long time member of the Chapter management community has resigned. David recently retired from TEP and has decided to spend more time in pursuit of more personal adventures. David has long held the Chapter position of Community Training/Liaison Officer and was instrumental in keeping both the SASC and the University of California San Diego's OSHA training programs coordinated and on track. Through David's efforts, the UCSD has been a major source of funding for our Chapter. David will also be sorely missed by our Chapter.

**CHAPTER BOARD OPENINGS** - Would you like to get involved in making our Chapter the best little chapter around? Not a lot of time is required. Just a love for the safety profession and a lot of good ideas. Come talk to us at the Luncheon.

**BY LAWS** - The recommended change to the Chapter By-Laws will be voted on at the March 17 Luncheon. Suggested changes include making the past-president automatically the House Delegate, along with a few grammatical changes as well. To read the proposed changes in detail - check out the [web site announcement](#).

**2015 OSHA COURSES** - OSHA Courses sponsored by our Chapter for 2015 are now posted on the [web site](#) - This year's courses include OSHA 502, 510, 500, 511, 501, and Electric High Voltage. Spread the word.

**SEE YOU AT THE MARCH 17th LUNCHEON (I think that is a green day)!!!!**
